

# Transition Bulletin

## Message from the Transition Lead

Mrs Kirk

I am very pleased to be writing to you again and trust that you are all safe and well. The purpose of this bulletin is to introduce our team of Year 7 tutors for September 2020 ahead of our 'Meet the Tutor' Evening.

Our tutors are the main point of contact between home and school and meet with their tutor group for morning and afternoon registration as well as PSHE activities. A positive relationship with the form tutor is essential and it is just as important for you, as parents and carers, to become familiar with this key member of staff in your child's education.

Mrs T Kirk (Transition Lead)

## The Year 7 tutor team

I am very pleased to be able to introduce our enthusiastic and dedicated tutor team to you.

On Monday 8 June we will publish a welcome video from each tutor on both our Facebook and Twitter accounts and will confirm which tutor group your child will be joining at the 'Meet the Tutor Evening' on Wednesday 10 June.

## Meet the Tutor Evening

On Wednesday 10 June we will host our "Meet the Tutor" Evening on Facebook.

There will be a live Q&A with Mrs Kirk and Head of School Mrs Girling at 6.30pm.

We will also be providing you with more information about life at SET Saxmundham School including, the logistics around school transport and uniform.

To attend the event please join our private Facebook group "SET Saxmundham Year 6 Transition Group" which can be found in the Groups area of our Facebook page @SETSaxmundham. You will need to enter the password 'Seckford' when prompted.

## Challenge 1 - a reminder

We would like to use this challenge to get to know you better. The task is to teach us a little about you. We want to learn two or three things about you and you can do this in any way you wish. Some examples are; a picture, painting, slide show, video, song, sculpture, dance or news report. If you do not do this on a computer, you can take a picture or video. When we are back at School, please bring it and we will display these in School.

Please email your challenge to
