Dear Parent/Carer,

Re: Pastoral and Tutor Classrooms

I hope that you are all keeping safe and well and enjoying an increased amount of time outside this week, if only the sunshine was still here!

I am writing to remind you that there are tutor classrooms for your son/daughter to join where they can communicate with their form tutor as well as peers in their tutor group. There will be resources and activities (not formal work) posted here too and we would love to see as many students engaged in this as we can. I attach the list of classroom codes to enable your son/daughter to join.

In addition to this there is also a pastoral classroom which is accessed using the code jr7qpj6 where students can access support from the pastoral team. We will share wellbeing and other useful resources for students in here too.

Keep safe and well and please don't hesitate to get in contact if we can be any help.

Yours sincerely,

Miss Sarah Marsden
