

# Life Ready Work Ready 2021

Discovering Emerging Career Opportunities in Norfolk & Suffolk  
1<sup>st</sup> to 5<sup>th</sup> February 2021

Life Ready Work Ready 2021 is a skills and employment webinar conference aimed at secondary and further education leadership, teachers and careers leads. The conference aims to update the attendees' understanding of the emerging job market for young people in Norfolk and Suffolk.

Run as five twilight sessions between the 1st and 5th February the conference gives an insight into the regional growth areas of Tech, Renewal Energy and Agri Tech. The conference has notable speakers from the NFU, EDF Energy, BT, STEM Learning, OFSTED, ARM, the New Anglia LEP and the Careers and Enterprise Company plus many more.

This is an excellent opportunity to update your understanding of developments in the regional employment market and for you to prepare your students for an exciting future career.

The conference is free to attend but places are limited.

Life Ready Work Ready 2021 is a joint project between the New Anglia LEP, STEMPOINT East and STEM Learning.
