

Dear Parent and Carers

Timetable Information

At SET Saxmundham, we believe in striving for excellence. As we begin our Lent term, staff changes have given us the opportunity to review what was working well and what we could do even better. To ensure your son/daughter has the very best learning experience, we have made changes to their timetable and class groupings. These changes will take effect from January 6th. You will be sent details of your son/daughter's new timetable; in the meantime, they will be added to their new groups on Google Classroom.

The group changes only refer to Years 8 and 9. We have examined a variety of information and we have devised groups that are focused on students making progress and reaching their attainment goals. We have worked with tutors, Heads of Department and subject teachers.

We are looking forward to getting this started.

With best wishes

Lizzie
