Dear Parent/Carer

Expression of Interest for School Transport Routes 2021-2022

The School is operating a number of transport routes for the academic year 2021-22. Although the school is subsidising the cost of the bus travel, there will be a charge to use the service. I have sought to keep costs as low as possible. Starting from September 2021 you will be charged on the basis of the number of days in the term –

Michaelmas Term 2021 (September to December) based on 66 days in school

Lent Term 2022 (January to March) based on 58 days in school

Trinity Term 2022 (April to July) based on 51 days in school

Charges are payable a term in advance although if this causes financial hardship please contact the school office on the telephone number above and I can look at alternative arrangements.

For further information about transport provided by SET Saxmundham School please see our website [Transport | SET Saxmundham School](#).

For queries relating to transport provided by Suffolk County Council, please contact Suffolk On Board on 0345 606 6173 or see their website [Suffolk on Board - School travel](#). All parents/carers of children starting at SET Saxmundham School in September and entitled to transport provided by Suffolk County Council, should have received an email notifying them of this.

If you are not eligible for Suffolk County Council transport I would be grateful if you could please indicate whether your child would like transport (provided by SET Saxmundham School) by emailing SaxBus@seckfordeducation.org.uk by Friday 28 May 2021 indicating the following –

- Parents Name
