

Transition Bulletin

Message from the Transition Lead

Mrs Girling

I am very pleased to be writing to you again and trust that you are all safe and well. The purpose of this bulletin is to introduce our team of Year 7 Tutors for September 2021 ahead of our 'Meet the Tutor' Evening.

Our tutors are the main point of contact between home and school and meet with their tutor group for morning and afternoon registration as well as PSHE activities. A positive relationship with the form tutor is essential and it is just as important for you, as parents and carers, to become familiar with this key member of staff in your child's education. *Mrs L Girling (Head of School)*

The Year 7 Tutor Team

I am very pleased to be able to introduce our enthusiastic and dedicated Tutor Team to you.

On Monday 14 June we will publish a welcome video from each Tutor on both our Facebook and Twitter accounts.

Mrs J Messenger

I believe my role as a Year 7 Tutor is to support each student to succeed in school, through each student's progression both academically and socially. I will encourage my form to commit to learning and enjoy every opportunity. I will guide the class to achieve to the best of their abilities.

Miss L Griffiths

As a Year 7 Tutor, my role is to be the first port of call for support and champion to my form. I will relay messages and check in with you every day and make sure you get the best opportunities we can provide for you - but I will also ensure you are respectful, ready and safe for your school day.
